Not doomed For Life.

Rain in Montgomery

A good rain fell at Mt. Sterling
and in the adjacent country, but
not a drop has fallen in this sec-
tion for some time, and we are
certainly getting very dry. Stock
water in places is very scarce and
grass is getting short. Corn is
ripening fast and soon will do to
cut.

Land Sale.

Chester Bean has sold his farm of
172 acres on the McClure & Hay-
den's corner pike to J. A. Fox at
\$85. per acre. This is a very desir-
able farm and is cheap at the

A Parson's Noble Act.

"I want all the world to know,"
writes Rev. C. J. Budlong, of Ash-
away, R. I., "what a thoroughly
good and reliable medicine I found
in Electric Bitters. They cured me
of jaundice and liver troubles that
had caused me great suffering for
many years. For a genuine, all-a-
round cure they excel anything I
ever saw." Electric Bitters are the
surprise of all for their wonderful
work in Liver, Kidney and Stom-
ach troubles. Don't fail to try
them. Only 50c. Satisfaction is

Ewen-Tracey.

There was a quiet wedding at
the residence of Mr. T. F. Wyatt
in this city yesterday afternoon.
The contracting parties were Mr.
W. R. Ewen and Miss Catherine
Tracey both from Powell county.
Mr. Ewen is one of the leading
citizens and Miss Tracey is the
daughter of F. P. Tracy Supt. of
Schools for Powell county. They
were accompanied by Hon. John
W. Williams and two daughters,
Mrs. Dr. C. D. Mansfield and Mrs.
Geo. Rice, Mrs. Maggie Norton,
Mr. and Mrs. J. S. Ewin, Judge
Phillips, Dr. Leming, Chas. Spen-
cer and wife, Fred Blackburn and
Miss Jennie Norton. The groom
is a brother of Mrs. Wyatt. This
makes the third wedding that has
come off at the home of Mr. and
Mrs. Wyatt recently.—Winches-
ter Sentinel.

Conference Met at London.

The Kentucky Conference of
the M. E. church South to which
the Methodist church at this place
belongs, convened at London yester-
day morning. A dispatch
from there says: "About 150
members are on the ground.
Some of the visitors are being en-
tertained in tents, and are enjoy-
ing the freedom of camp life.

The case of the Rev. J. A. Saw-
yer, charged with immorality,
while pastor of the church at Do-
ver, Ky., will be tried today. Mr.
Sawyer and his friends are con-
fident that his innocence will be
fully established, and say there
was never any ground for the
charge."

Negro Business Men.

There are said to be 5,000 ne-
gro business men in the U. S.
The statistical department of At-
lanta University estimates that
there are 432 negro grocers and
general merchants, 162 master
barbers, and 200 others in various
other minor businesses. There
are 17,480 negro barbers work-
ing for wages. It is also esti-
mated that there are 1,500,000 ne-
gro children in common schools, 40-
000 in institutions of higher learn-
ing. There are 500 negro phy-
sicians, 250 negro lawyers and as
many newspapers under negro
management.

Petition Filed.

Amended petitions have been
filed by the Commonwealth at
Frankfort in the suits against
John S. Sweeney, Auditor and
Walter R. Day, Treasurer, to re-
cover money paid out by the Re-
publican administration to main-
tain soldiers in 1900. The peti-
tion will set up that the records
in the Auditor's office were falsi-
fied to show that \$10,044.13 was
paid out on January 31, when in
reality the warrant was drawn on
February 1, after Gabel had taken
the oath of office.

Association Meets.

The Boone's Creek Baptist as-
sociation, to which Powell's Val-
ley and Filson churches, of this
county belong, will meet with
the church at Mt. Olive, Clark
County, beginning on Friday,
Sept. 10, and continuing three
days.

ing him.

Sunday-school Convention.

The Sunday School Convention
at Powell's Valley Sunday was
largely attended. A good and
profitable meeting is reported by
all who attended. There was
plenty of dinner for all present,
and plenty for others who did not
attend.

Don't Criticise the Editor.

Criticism of editors is getting
to be very dangerous. A gay
young lady ridiculed a Kansas ed-
itor's patched pants the other day
and although he didn't sue her
for libel, he did sue her daddy
for \$9.00 on delinquent subscrip-
tion.

Crop of Clover Blown Away.

A curious freak of the wind
storm of last Friday was report-
ed, says the Jessamine Journal,
by School Superintendent W. R.
Harris. He had just cut a twenty-
five-acre field of clover seed
and had it raked into winrows
preparatory to threshing. The
wind blew the clover entirely off
of the face of the field, leaving it
as clean as if it had been raked.
Some of the clover lodged against
a wire fence on one side of the
field, but most of it was blown
away. The field would have
made two bushels or more seed
per acre, being one of the best
crops in the neighborhood. A
field belonging to Beecher Rhorer
was treated almost as badly,
not more than half the clover be-
ing left in the field.

Richmond Court.

Large crowd in town and busi-
ness in general looking good.
Mule colts and the horse market
somewhat slow. The following is
a fair report from the two stock
yards:

Norris Bros' stock yards report
from 600 to 700 cattle on the mar-
ket at from 3 to 5 cents. 700 sheep
at 3 cents. Market slow.

Madison County Stock yards re-
port 1,000 cattle. Common 50c off,
good cattle steady; best selling at
5c. 500 sheep at 2½ to 3, being a-
bout ¼c off from last court: about
100 hogs on the market, selling at
6½ to 7c.—Richmond Register.

Vaughn's Mill.

Master Jimmie Burton, who
has been very sick for some weeks
of flux, is some better.

Mr. and Mrs. Berry Hall are
down with fever, and Mrs. Hall
is in a critical condition and her
recovery doubtful.

While grubbing last Thursday
"Cap" Strange inflicted a severe
wound in his right hand by strik-
ing it against a sharp snag.

Mr. and Mrs. I. G. Jackson and
little son, Robert L., will leave for
their home in Harrodsburg Fri-
day, after a pleasant visit to re-
latives here.

Easton's saw mill is running at
full blast most of the time, but
is somewhat handicapped on ac-
count of scarcity of water, which
has to be hauled two or three
miles.

Mr. and Mrs. Chas. Rupard, of
Wade's Mill, visited Mrs. Ru-
pard's parents at this place the
latter part of last week. Miss
Fannie Jackson, who had been at
Wade's Mill for some weeks, re-
turned with them to her home
here.

Born, Sunday, August 23, to M.
and Mrs. June Walters, a son.

A Secluded Spot.

"Will you walk into my par-
lor?" said the spider to the fly.
"I've found a nice secluded spot
where no one ventures nigh. The
way into my parlor is on a pub-
lic street, but the threshold nev-
er more of late is pressed by hu-
man feet. A stock of goods is
kept within the building where I
dwell; the merchant sits behind
his desk to keep them guarded
well; I spin my web across the
room and o're the dusty wares; I
rest in perfect safety undisturbed
by anxious cares; for not a single
customer comes into his store and
buys—the reason is he never
thought it payed to advertise.

The Balance Wheel

Look inside your watch a moment.
The balance wheel is making 18,000
vibrations an hour, if it's in good
condition. If the movement is slug-
gish, there's something wrong. It
will move 3,558 miles in a year, and
requires less than one-tenth of a drop
of oil to make it run. But it needs
that little badly. The least degree
of friction on the bearings alters
the motion. Don't take chances. Let
me clean and oil and put your watch
in order for a year. It will pay and
satisfy you.

Accidentally Shot.

Elam Woosley, aged about eighteen, son of Henry Woosley, was accidentally shot and badly wounded on Little Creek Tuesday by his uncle John Hall. The pair was out-squirrel hunting and was walking up a hill, Hall in front. He was carrying his gun on his shoulder, the muzzle of which was pointed downward, and which was discharged from some unknown cause. The load took effect in young Woosley's right thigh, going through his leg. He is badly wounded, and his leg may yet have to be amputated. Dr. Littlepage was called and dressed the wound.

Gas in Estill.

A party of Kentucky capitalists visited Estill county last week to make an investigation of the natural gas fields where gas is believed to exist in abundance. These promoters are said to already have 8,000 acres of land leased and the fields are only four miles from Irvine. A thorough test will be made to ascertain the quantity in which the gas exists, as has long been believed that it exists in quantities, the purpose of these capitalists is to organize pipe lines to the surrounding towns in Central Kentucky. If such a thing should prove practical it would mean a great deal to Richmond, Winchester, Mt. Sterling and Lexington which are the closest large towns to these fields. Developments are awaited with great interest.—Richmond Register.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucus surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address, F. J. Cheney & Co., Toledo, Ohio. Sold by Druggist, 75c. Hall's Family Pills are the best.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Baltimore, Md., March 30, 1901. Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost. INTERNATIONAL AURAL CLINIC, 596 LA SALLE AVE., CHICAGO, ILL.

A Communication.

Mr. Editor—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the bronchitis and could not sleep at nights. You cannot afford to disregard the warnings of a weak and diseased heart and put off taking the prescription of the world's greatest authority on heart and nervous disorders—

Dr. Miller's Heart Cure.

If your heart palpitates, flutters, or you are short of breath, have smothering spells, pain in left side, shoulder or arm, you have heart trouble and are liable to drop dead any moment.

Major J. W. Woodcock, one of the best known oil operators in the country dropped dead from heart disease recently, at his home in Portland, Ind., while mowing his lawn.—The Press.

Mrs. M. A. Birdsell, Watkins, N. Y., whose portrait heads this advertisement, says: "I write this through gratitude for benefits I received from Dr. Miller's Heart Cure. I had palpitation of the heart, severe pains under the left shoulder, and my general health was miserable. A few bottles of Dr. Miller's Heart Cure cured me entirely."

Water Cure for Chronic Constipation. Take two cups hot water half an hour before each meal and just before going to bed, also a drink of water, hot or cold, about two hours after each meal. Take lots of outdoor exercise—walk, ride, drive. Make a regular habit of this and in many cases chronic constipation may be cured without the use of any medicine. When a purgative is required take something mild and gentle like Chamberlain's Stomach and Liver Tablets. For sale by all dealers in Patent Medicine.

They are talking now of a syndicate which will make fuel of street dust. Wouldn't the syndicate have a good thing in Lexington? But if it monkeys with the banana peeling it is likely to slip up.—Lexington Democrat.

The September term of the Madison Circuit Court was convened at Richmond, Monday by Judge J. M. Benton. In this court there are 105 criminal cases on the docket and 308 civil cases. This is a greater number than there is in all of the combined counties in the remainder of the district.

Rev. Sam Small is the latest to fall from grace. He went to Vermont to make a temperance speech but failed to show up on account of weak knees. He frankly admits that he was drunk on the occasion. He now says, do as I say but not as I do.

A Certain Cure for Dysentery and Diarrhoea.

"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany, Bradford County, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when editor Ward, of the Laceyville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully, and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy, and this time one dose cured me." For sale by all dealers in Patent Medicine.

rule, kid." "Then why did mommer say you look through ten glases a day?"

"In dealing with man, remember that a spoonful of oil will go farther than a gallon of vinegar." The same may be said of children. There is nothing so good for children as the old-fashioned castor oil. However much they may abhor it, it is their best medicine for disorders of the bowels. In the more severe cases of diarrhoea and dysentery, however, Chamberlain's Colic Cholera and Diarrhoea Remedy should be given after the oil operates, and a quick cure is sure to follow. Told the Truth Once.

Not long since a Missouri editor announced that for just one issue he was going to tell the truth unvarnished and naked. Here is one item from the issue: "Married, Miss Sylvia Rhodes to James Carnahan, last Saturday evening, at the Baptist parsonage. The bride is an ordinary town girl who does not know any more than a rabbit about cooking and never helped her poor old mother three days in her life. She is not a beauty by any means and has a gait like a duck. The groom is well known here as an up-to-date loafer, has been living off the old folks all his life any don't amount to shucks no how. They will have a hard life while they live together and the News hastens to extend absolutely no congratulations, for we don't believe any good can come from such a union." The next day there was a funeral.

"Boy, the secret of success is always do your work better than is expected of you."
